Shri Rajesh Kumar Singh, IAS,
Joint Secretary (HE&MT)
Ministry of Heavy Industries & Public Enterprises
Department of Heavy Industries
150, Udyog Bhawan,
New Delhi-110 011

Sub: Quality Control Order dated 7th May 2015 issued by DHI for Electrical Transformers upto 2500KVA as per the revised IS:1180 Part 1/2014 effective from 1st August 2015.

Reg: Effective date of implementation of the Quality Control Order shall be 1st August 2015

Dear Sir,

This is continuation to our letter No. ITMA/11/2015/267 dated 29th July 2015 (copy enclosed) on the subject, we presume that the effective date of implementation of the subject Quality Control Order principally shall be w.e.f. 1st February 2016. Our members are in predicament about the same and the consequential impact thereof.

In view of the ambiguity in the clauses of the subject quality control order as indicated in our protected correspondence, the effective date of the implementation Of Subject Quality Control Order shall be 1st February 2016.

You are requested to kindly look into the matter personally for clarifications at the earliest so that the business of manufacturing and procurement of DTs by stakeholders should not get setback for IPDS and DDUGJY projects of Power Sector for which MOP and P.M in particular are very anxious for 24x7 power supply to all by 2019.

Thanking you

Yours Faithfully

(B.LAL)
DIRECTOR GENERAL
