Sub:- 14th INTERNATIONAL CONFERENCE ON TRANSFORMER (TRAFOSEM - 2017) on "Global Trends in Transformers Technology for Indian Power System" on 5th May 2017 at SCOPE CONVENTION CENTRE AUDITORIUM, Scope Complex, Lodhi Road, New Delhi.

Reg: SPONSORSHIP, PARTICIPATION, INVITING TECHNICAL PAPERS, ADVERTISEMENT FOR SPECIAL ISSUE and BOOKING OF STALL SPACE.

Dear Sir,

ITMA is privileged to inform you that Central Government PSUs and Association of repute/stature viz CEA, PFC, RECL, BEE, BIS, CPRI, PGCL, NTPC, BBMB, ERDA, ICA, CBPI, NPTI, ASSOCHAM and India Energy Forum have joined us for organizing the subject 14th international conference on 5th May 2017 in SCOPE CONVENTION CENTRE AUDITORIUM, Scope Complex, Lodhi Road at New Delhi as hitherto was supported in the last 13th International Conference on Transformers at Mumbai, which was inaugurated by Shri Piyush Goyal, Hon'ble Union Minister of State for Power, Coal and New and Renewable Energy, Government of India. The event was a grand success with participation of more than 350 delegates both at National & International level and was commended by all in the Power Sector.

The focus of the subject conference would be on Transformer Technology on Energy Efficient Distribution & Power Transformers with Standard Specification and fixing norms of Standards for Energy efficiency & Labeling with the use of state-of the art technology including but not limited to Electrical Steel (CRGO)/Amorphous Metal and their Efficacy, Windings and Insulation, Insulating Oil, Paper, Pressboard, Wood, Structural Steel/ Tanking, EHV Bushings, Thermo-Syphon Filters etc., up to date developments world over in Transformer Designing and Manufacturing Techniques, besides latest technology for Installation, Operation, Maintenance and Protection of Distribution & Power Transformers.

We expect all Central/States Government Ministries/ Organizations/CPUs like Generation Planners, Private and Public Sector/ SEBs/ Utilities / Gencos /Trancos / Discoms, Investors, Consultants, Technologists, Suppliers of Raw Material from all over the country and abroad and manufacturers of Transformers and other related equipment's to participate in the conference and to share their experience with others. The event will offer opportunities for direct access to policy makers, decision taking authorities and Chief/Senior Executive of Public and Private Sector Power Utilities as also manufacturers & Consultants where total delegate attendance is expected to be over 300 numbers in the conference.

The Brochure TRAFOSEM-2017 giving comprehensive details, modalities of participation, inviting technical papers, advertisement for Special Issue, Sponsorships opportunities along with booking of Stalls etc., is attached for your ready reference, wherein some of the supporting organizations/Associations have confirmed their support to the conference without any financial liability.

Thanking you and awaiting your early firm commitment so that we may proceed with all preparations immediately.

"Wishing you and your family a very HAPPY DIWALI"

With Kind regards,

Yours sincerely,

[B. LAL]
DIRECTOR GENERAL
