

ITMA/11/2019 CIRCULARNO. 220/2019

8thFebruary 2019

To All Members,

Sub : Registration for National Seminar on 'Emerging technologies in Coated Steel Sheets on 13th February 2019 at NITS, BIS in Sector 62 Noida.

Dear Member,

Bureau of Indian Standard (BIS) is organizing a National seminar on Emerging technologies in Coated Steel Sheets. The objective of seminar is to create awareness about latest developments in coated steel and new processes being used in coating, nationally as well as globally. The seminar would help the stakeholders to make them aware of latest changes in the field of coated steel sheet.

The broad details of the programme of the seminar are attached for your ready reference. You are requested to confirm your participation by filling the registration form attached herewith the detailed programme not later than 11th February 2019. Participation for attending the seminar is free.

The registration of the participants shall be closed as soon as venue hall capacity is exhausted .

Thanking You

With best regards

[B.LAL]

Subject: Registration for National Seminar on 'Emerging technologies in Coated steel sheets'

Dear Sir

This is to inform you that Bureau of Indian Standards (**BIS**) is organizing a National Seminar on '**Emerging technologies in Coated steel sheets**'. The objective of seminar is to create awareness about latest developments in coated steel and new processes being used in coating, nationally as well as globally. This would help all stakeholders to gain knowledge and make them aware of latest changes in the field, which in turn would help them to improve their processes resulting in better quality of their products and increase the efficiency of their system. In order to achieve the objective we need active participation of industries, research and educational institutions.

The broad details of the programme are as under:

Day & Time : Wednesday, February 13, 2019

Time : 1030 – 1700 hrs,

- Venue : National Institute of Training for Standardization
Bureau of Indian Standards,
A 20 & 21, Institutional Area,
- Sector 62, NOIDA 201309.
-

The detailed programme schedule may be found attached.

You are invited to attend the seminar and we will be grateful to receive your confirmation in this regard, by filling the registration form as soon as possible, but latest by **11 February 2019**, link to which is as below:

[Seminar Registration](#)

Registration is free, however, due to limited seats it is on first come first serve basis. The registration of participants shall be closed as soon as venue hall capacity is exhausted.

An early reply will be highly appreciated.

With regards,

N.Suryanarayana
