

ACTIVITIES

JANUARY 2024 TO MARCH 2024

ISSUED ON APRIL 2024

SL	CIRCULAR /LETTER NO/DATE	SUBJECT	ADDRESSED TO	REGARDING
1	1ST JANUARY 2024	BEE's Advisory to the MoP's Notification S.O.185 (E) for Distribution Transformers.	To All Members	MoP's Notification dated 8th December 2023 regarding further extension of the Validity of the Star rating of DTs under BEE's S & L programme, from 1st July 2017 to 31st December 2024 'Standard Losses in watts up to 11 KV Class (For ratings above 200 kVA)' Related to distribution transformers for the display of particulars on labels.
2	9TH JANUARY 2024	Vivad Se Vishwas - Relief for MSMEs vide MoF OM dated 11th April 2023	To All Members	Ministry of Finance had announced some relief measures for Micro, Small and Medium Enterprises (MSMEs) in contracts for procurement of Goods and Services revised vide OM dated 11th April 2023 and claims were allowed to be submitted upto 30th June 2023.

				3Due to representations from the stake holders the Ministry of Finance issued a new memorandum dated 04-Jan.,2023 for extending the dates to submit the claims from 01.01.24 to 31.03.2024 .
3	9TH JANUARY 2024	Minutes of the meeting of Core Team held on 22.12.2023 to monitor SPS and TBT Notifications issued by other countries.	To All members	Ommunication received from Dy. Director, CEA , sent to members for information and reference.
4	11TH JANUARY 2024	The issues taken up by ITMA Secretariat with the various Departments.	To All Members	The consolidated list of issues taken up between October 2023 to December 2023 sent for information & reference to the members.
5	12TH JANUARY 2024	Minutes of the meeting held on 20th December 2023 at CEA's office to discuss changes for 315 MVA 400/132/33 kV Auto-Transformer and other requested changes in the Standard Specification and Technical Parameters for Transformers and Reactors (66 kV and above voltage class),	To All Members	Details forwarded to the members for information.
6	12TH JANUARY 2024	Meeting of one our Members Mr Sajay Agarwal of M/s CBS Tecnology with Principal scientific advisor to PM prof Ajay sood on 18th January 2024.	To All Members	Mr Sanjay Agarwal, from CBS Technology, members ITMA was invited by Principal scientific advisor to PM prof Ajay sood ,Secratery Science and Technology Dr parvinder maimi .Dr Neha Malhotra CTO
7	16TH JANUARY 2024	Query received on IS 3975:1999 Low carbon galvanized steel wires , formed wires and tapes for armouring of cables-specification	To all Members	Communication received from Member Secretary MTD 4 on IS: 3975/1999 regarding Electrogalvanised or Hot dip galvanized as per IS : 4826 besides IS : 12753 to be provided in IS :3975, as detailed out in the attached letter of

				BIS.
8	16TH JANUARY 2024	PVC Circulars for the month of November/December 2023	To All Members	PVC circulars for the month of November/December 2023 received from Indian Electrical & Electronics Manufacturers Association (IEEMA), for your information and guidance.
9	17TH JANUARY 2024	Suggestions for Modification in the System of GST collection & its utilisation .	To All Members	Requested to offer /observations/comments, if any.
10	24TH JANUARY 2024	Suggestions for Modification in the System of GST collection & its utilisation .	To All Members	Reminder to All members
11	24TH JANUARY 2024	Minutes of Meeting MoM of the Technical Committee ETD 16 ,held on 18-12-2023 at CPRI Bengaluru	To All Members	Minutes of Meeting MoM of the Technical Committee ETD 16 , held on 18-12-2023 at CPRI Bengaluru, was forwarded to the members to go through the MoM and offer your observations/comments if any
12	24TH JANUARY 2024	Regarding MoRTH guideline on Online permission for single unit ODC's/OWCs consignment on modular hydraulic trailers (HT-1 to HT-13) on National Highways in the Country.	To All Members	communication received from Mr Nilesh Sinha Hon. General Secretary, HYDRAULIC TRAILER OWNERS ASSOCIATION, informing about the revised guidelines for the road movement of Over Dimensional Cargo (ODC) and Over Weight Cargo (OWC) on National Highways issued by the Ministry of Road Transport & Highways through a circular, dated 17 January 2024, sent to members for information.
13	31ST JANUARY 2024	Agenda and Meeting link of the SME Division for meeting on 2nd February 2024 at 17.00 hrs onwards	To All Members	Communication received from SME division of IEEMA for the subject meeting forwarded to member to

				attend. As per the agenda items the main issue for discussion is regarding "Relief under Vivad Se Vishwas scheme to MSMEs "
14	31ST JANUARY 2024	Invitation to "Bihar Roundtable for Electrical Power Transmission & Distribution and Renewable Energy Equipment Industry" on 5th February 2024 in Patna	To All Members	Sh. Anil Agarwal, President ITMA has received the invitation (copy attached) to participate in the Bihar 'Roundtable for Electrical Power Transmission & Distribution and Renewable Energy Equipment Industry' on 5th February 2024 in Vidyut Bhawan, at Patna from the office of Additional Chief Secretary , Invest Bihar.Members were requested to consider to participate in the event on 5th February 2024
15	1ST FEBRUARY 2024	Capsule Course on Code of Practice Standards on Repair of Distribution Transformer as per IS : 18284 /2023	To All Members	Communication received from Member Secretary ETD 16, BIS Technical Committee on the subject. It has been stated that Capsule Course is to be organized on the Code of Practice Standard IS 18284: 2023 - Repair of Distribution Transformers by NITS, BIS: Members were requested to consider and offer representation as one of the members in the content development committee of NITS , BIS to make the Capsule course on code of practice standard on repair of Distribution Transformers, as one of the members from industry.
16	1ST FEBRUARY 2024	Highlights of Union Budget (Interim)2024-	To All Members	Highlights of Interim Union Budget

		25 and Budget Speech of Hon'ble Finance Minister.		2024-25 and Budget Speech of Hon'ble Finance Minister for your reference and information please..
17	1ST FEBRUARY 2024	Invitation to “Bihar Roundtable for Electrical Power Transmission & Distribution and Renewable Energy Equipment Industry” on 5th February 2024 in Patna	To All Members	Reminder letter to consider to participate in the event on 5th February 2024.
18	5TH FEBRUARY 2024	Minutes of Meeting (MoM) of the Technical Committee ETD 16 , held on 18-12-2023 at CPRI Bengaluru	To All Members	Minutes of the Meeting issued by Member Secretary, Electro Technical Committee ETD 16 BIS were circulated to the members for reference and information with a request to offer comments/observations if any before 23rd February 2024.
19	5TH FEBRUARY 2024	BIS recognized testing laboratory for IS 1180 (Part 1): 2014 for Mineral and Ester oil transformers	To All Members	<p>One of ITMA's members M/s Electrical Power Research Laboratory,(ERPL) Vadodara, Gujarat has been recognised as one of the Testing Laboratories by BIS for testing of DTs as per IS : 1180 (part 1) 2014 upto 2500 KVA , 33 KV Voltage Class transformers.</p> <p>M/s ERPL has further informed that they feel proud and privileged to all the ITMA members and in order to accomplish this have offered a 20% discount for testing of DTs to All ITMA members, duly certified by ITMA Secretariat.</p>
20	8TH FEBRUARY 2024	PVC Circulars for the month of JANUARY 2024	To All Members	PVC circulars for the month of JANUARY 2024 received from Indian Electrical

				& Electronics Manufacturers Association (IEEMA), sent to information and guidance of members
21	9th February 2024	Inclusion of lower grade thickness(0.18 mm & 0.20 mm) of CRGO silicon steel in IS:3024 : 2015 , under mandatory certification	Sh. Pramod Kumar Tiwari, IAS Director General Bureau of Indian Standard	The issue expedited for the amendment in IS 3024/2015 by inclusion of lower thickness CRGO material /losses for ease of doing business and achieving the goals of carbon footprint
22	15 TH FEBRUARY 2024	Innovate to Elevate – A session for MSMEs in the power sector	To All Members	Brief of the session, specifically focused on the needs for MSMEs in the Power Sector ,where several stakeholders were present during the session to address various problem areas which often impact the MSME sector. Stakeholders like CTGMSE , SIDBI, IDEMI and GeM were all present and shared some very important information which is being shared among the industry members for larger interests.Some presentations which contain valuable information about credit, financing and public procurement are also attached for reference.
23	16 TH FEBRUARY 2024	Draft Indian Standard(S) /Amendment(S) In Wide Circulation	To All Members	Communication received from Bureau of Indian Standard ,forwarding there with the draft Indian Standards under wide circulation for examination and requesting to forward views stating any difficulties which may likely to be experienced in business or profession, if

				these are finally adopted as Indian Standards/amendments to Indian Standards. Forwarded to the members for inputs.
24	16TH FEBRUARY 2024	BIS recognised Testing Laboratory, M/s ERTO , Vadodara, Gujarat	To All Members	The BIS/NABL accreditation of the testing house besides their offering 20% discount on testing charges for DTs to ITMA members.
25	19TH FEBRUARY 2024	Invitation to ONDC Awareness Workshop for GeM sellers	To all Members	Communication received from GeM Team on the subject informing that Government eMarketplace (GeM), Ministry of Commerce & Industry, Government of India, is conducting a one-day ONDC Awareness Workshop exclusively for GeM sellers of select categories. Objective of this workshop is to introduce you to a unique and pioneering initiative by Government of India to democratize the e-commerce; especially empowering the MSME sector to leverage e-commerce at better terms and conditions.
26	19th February 2024	Requesting time for a meeting for 2 to 3 members from ITMA on 20th or 21st February 2024.	Shri Rajeev Sharma Dy. Director General , Standardization. Bureau of Indian Standard	Meeting with ITMA 2/3 members to discuss issues of concern to industry, on 20th or 21st at his convenience (time). * Delay in inclusion of 0.18 & 0.20 mm thickness CRGO material in the IS 3024 * Nomination in MTD 4 Metallurgical committee.
27	20TH FEBRUARY 2024	Introduction and Contact details of Member Secretary-ETD 16-Transformers	To All Members	Communication received from Mr Abinash Bordoloi Sc-C/Dy. Director BIS ,

		Sectional Committee of Bureau of Indian Standard (BIS).		who has taken over the charge of Member Secretary, BIS Electro Technical Committee ETD 16 from Mr. Neeraj Khushwa , who steered the ETD 16 committee meetings in a very co-ordinated manner to finalize the Agenda items in the best interest of the industry and the Country.
28	20TH FEBRUARY 2024	Meeting notice to discuss Supply chain issues in the HVDC/FACTS equipment for Transmission Infrastructure	To All Members	Meeting notice received from PSETD division of CEA to be held on 22nd February 2023 at 15.30 Hrs , under the chairmanship of Chairperson, CEA at Chintan Conference Hall, 2nd Floor, Sewa Bhawan, R K Puram .
29	20TH FEBRUARY 2024	Introduction and Contact details of Member Secretary-ETD 16-Transformers Sectional Committee of Bureau of Indian Standard (BIS).	TO ALL MEMBERS	Details as forwarded by Mr Abinash Bordoloi sharing his communication details
30	22ND FEBRUARY 2024	Draft International Standards for Member Body comments/voting	To All Members	Communication received from Member Secretary ETD 16 , forwarding therewith the Draft International Standards for Member Body comments/voting(copy is attached for ready reference).Members requested to examine this and give your opinion in light of the details given in the letter.
31	22nd February 2024	Introduction and Contact details of Member Secretary-ETD 16-Transformers Sectional Committee	Mr Abinash Bordoloi Sc-C/Dy. Director Member Secretary (ETD 16) Electrotechnical	ITMA welcomes the Member Secretary of one of the sectional committees ETD 16 of Electro Technical Division of BIS and assured to extend full cooperation in the sectional committee , ETD 16

			Department Bureau of Indian Standards	meetings, as in the past.
32	26TH FEBRUARY 2024	Constitution of Committee to examine various technical issues raised by Stakeholders on Standard Specifications and Technical Parameters for Transformers and Reactors (66 kV and above voltage class)	To All Members	Central Electricity Authority (CEA) has finalized the standard specifications & technical parameters for transformers and reactors for 66KV & above Voltage Class and has convened the series of meetings to address the proposed changes suggested by the members. In the last meeting held on 20th December 2023 committee had decided to form a committee comprising of prominent Utilities & the manufacturers under the convenorship of PGCIL, to discuss the various issues that have cropped up and may come out with the recommendations to be considered by stakeholders in the CEA's PSTED Committee. Accordingly CEA has constituted a committee vide office order dated 23rd February 2024 to discuss & deliberate on various requests/ representations received on the document for amendment and come out with recommendations to standardized the bringing in uniformity in fixing major technical parameters including maximum permissible losses. Sh M Vijayakumaran , Technical Advisor, ITMA has been nominated as a member in the committee.

				Kindly inform any of the issues to be placed before the committee, so that same could be forwarded for consideration of the committee.
33	27TH FEBRUARY 2024	Request for inputs for Annual Action Plan of Standardization for the year 2024-25.	To All Members	Communication received from Member Secretary ElectroTechnology department of BIS ,sectional committee ETD 16 Requesting inputs/proposals ,products/test methods etc. where a need for a New standard is felt besides the revision of the existing Indian Standard in view of the technological advancements taking place. BIS has requested for the inputs in the attached format latest by 5th March 2024.
34	28th February 2024	Establishment of Electrical Steel (CRGO) manufacturing Industry in India under Make in India Programme & other requirements as discussed in the meeting held on 27th October 2023	Shri Sunit Gupta, Director R&D Division Central Electricity Authority	The meeting held on 27th October 2023 to discuss the development of indigenous manufacturing of Electrical Steel CRGO in the Country under make in India program.
35	29TH FEBRUARY 2024	Meeting notice to discuss the supply chain issue of Transformer by CEA on 5th March 2024.	To All Members	CEA's letter dated 28.02.2024 vide which they have informed to convene a meeting under the chairmanship of Chairperson, CEA , on 05.03.2024 at 12:30 hrs at Chintan Conference Hall, 2nd Floor, Sewa Bhawan, RK Puram, on the subject.
36	29TH FEBRUARY 2024	To Up date ITMA's Website:www.itma.org.in	To All Members	ITMA is updating it's website for which it requires to include all current Executive Council Members (2023-2025 years) along with contact details with

				passport size photographs to all EC Members
37	1ST MARCH 2024	Technical Committee Meeting on Distribution Transformer dated 11th March 2024 at 15.00 Hrs.	To All Members	Communication received from Project Engineer, Bureau of Energy Efficiency , regarding the Technical Committee Meeting (TCM) on Distribution Transformers to be held on 11th March 2024 at 15.00 Hrs in BEE's Conference room at R K Puram New Delhi. The TCM has been called for the stakeholders under the Chairmanship of Director (S&L) to discuss the revised energy performance standards to be implemented from 1st January, 2025 onwards, for Distribution Transformers.
38	4TH MARCH 2024	PVC Circulars for the month of JANUARY/FEBRUARY 2024	To All Members	PVC circulars for the month of JANUARY/FEBRUARY 2024 received from Indian Electrical & Electronics Manufacturers Association (IEEMA), for your information and guidance.
39	4TH MARCH 2024	Technical Committee Meeting on Distribution Transformer dated 11th March 2024	Mr Mukhe Krishna Sai Satvik Project Engineer Bureau of Energy Efficiency	Meeting of Technical Committee on Distribution Transformers being convened by Bureau of Energy Efficiency on 11th March 2024 with the stakeholders to discuss on the revised energy performance standards to be implemented from 1st January, 2025 onwards. ITMA is nominating the following members/officers to attend the subject meeting on 11th March 2023.

				1.Mr. Pankaj Agarwala , M/s Jaybee Industries 2.Ashok Kaul, Dy DG ITMA
40	4TH MARCH 2024	CRGO electrical steel as per IS 3024 used in Power & Distribution Transformers, is under mandatory certification as QCO of MoS.	Shri Nagendra Nath Sinha, IAS, Secretary, Ministry of Steel	Kindly intervene and get an issue expedited for the amendment in IS 3024/2015 by inclusion of lower thickness CRGO material /losses for ease of doing business and achieving the goals of the carbon footprint.
41	6TH MARCH 2024	Technical Committee Meeting on Distribution Transformer dated 11th March 2024 at 15.00 Hrs	To All Members	Communication received from the Project Engineer, Bureau of Energy Efficiency informing about the postponement of the Technical Committee Meeting on Distribution Transformer which was scheduled on 11th March 2024, due to unforeseen reasons/circumstances.
42	12TH MARCH 2024	Meeting notice to discuss proposed amendment in PPP-MII Order , on 15th March 2024 at 11.00 AM	To all Members	Meeting notice to discuss proposed amendment in PPP-MII Order , on 15th March 2024 at 11.00 AM
43	12TH MARCH 2024	Application of M/s TBEA Energy (India) Private Limited for registration in terms of Department of Expenditure Order (Public Procurement No. 4) issued vide No. F.No.7/10/2021-PPD dated 23.02.2023 under Rule 144 (xi) GFR, 2017	To All Members	Communication received from Director, ET&I division of CEA forwarding therewith the trailing mail from MoP forwarding therein the application of M/s TBEA Energy (India) Private Limited for registration in terms of Department of Expenditure Order (Public Procurement No. 4) issued vide No. F.No.7/10/2021-PPD dated 23.02.2023 under Rule 144 (xi) GFR, 2017. Members are requested to go through

				the details and offer / provide comments/ inputs , if any as per the “Annexure points for assessment” at the earliest.
44	13th March 2024	Technical Committee Meeting on Distribution Transformers scheduled on 2nd April 2024.	Mr Mukhe Krishna Sai Satvik Project Engineer Bureau of Energy Efficiency	Meeting of the Technical Committee on Distribution Transformers being convened by the Bureau of Energy Efficiency on 2nd April 2024 , with the stakeholders to discuss the revised energy performance standards to be implemented from 1st January, 2025 onwards. Mr. Pankaj Agarwala , M/s Jaybee Industries 2 . Ashok Kaul, Dy DG ITMA
45	13TH MARCH 2024	Technical Committee Meeting on Distribution Transformers to be held on 2nd April 2024 at 15.00 Hrs.	To All Members	Communication received from Project Engineer, Bureau of Energy Efficiency , regarding the Technical Committee Meeting (TCM) on Distribution Transformers to be now held on 2nd April 2024 at 15.00 Hrs (which was earlier scheduled on 11th March) in BEE's Conference room at R K Puram New Delhi. The TCM has been called for the stakeholders under the Chairmanship of Director (S&L) to discuss the revised energy performance standards to be implemented from 1st January, 2025 onwards, for Distribution Transformers, in view of the the existing Standards

				and Labeling (S&L) program of Distribution Transformer is under Mandatory regime have the label validity till 31st December, 2024.
46	14TH MARCH 2024	Constitution of Committee to examine various technical issues raised by Stakeholders on Standard Specifications and Technical Parameters for Transformers and Reactors (66 kV and above voltage class)	To All Members	Communication received from PSETD division of CEA , intimating about the Constitution of the Committee to examine various technical issues raised by Stakeholders on Standard Specifications and Technical Parameters for Transformers and Reactors (66 kV and above voltage class). Mr Vijayakumaram, Technical Advisor, has been nominated member in the committee to represent ITMA. However the detailed list of committee members as circulated by PSETD division of CEA for information and reference of the members
47	13th March 2024	Meeting notice to discuss proposed amendment in PPP-MII Order dt.16th November 2021, on 15th March 2024 at 11.00 AM	Shri Sunit Kumar Gupta Director - ET&I Division, Central Electricity Authority	Requesting for participation in the meeting to discuss the increase of the MLC and any potential addition to annexure I of the order dated 16th November 2021. Following members/ officers from ITMA shall participate in the discussion during the meeting on 15th March 2024, for <ul style="list-style-type: none"> Increase in MLC as proposed by the DPIIT in respect of items in Annexure-I of MoP PPP-MII Order dated 16.11.2021 , and

				<ul style="list-style-type: none"> Any new additions in the Annexure-I of the MoP PPP-MII Order dated 16.11.2021. <ol style="list-style-type: none"> Mr Sanjay Agarwal, MD, M/s CBS Technologies Mr Ghanshyam Dass Gupta, Director Vijaya Mercantile Pvt Ltd Mr Ashish Tayal, Partner M/s Advanced Amorphous Technology LLP Mr Ashok Kaul , Dy DG ITMA <p>Besides above our members have requested to get the details from CEA as how the existing MLC percentage has been arrived in the annexure I for various electrical equipments, so as to make a fruitful discussions during the meeting to justify the proposed increase in the MLC content, with particular reference to item at S. no 10 & 11 for oil filled and dry type DTs.</p>
48	14TH MARCH 2024	Postponement of the meeting to discuss proposed amendment in PPP-MII Order , on 15th March 2024 at 11.00 AM	To All Members	communication received from R&D division of CEA informing about the Postponement of the Meeting to discuss proposed amendment in PPP-MII Order , which was scheduled on 15th March 2024 at 11.00 AM
49	14th March 2024	Technical Committee Meeting on Distribution Transformers scheduled on 2nd April 2024.	Mr Mukhe Krishna Sai Satvik Project Engineer Bureau of Energy Efficiency	nominating therein the members/officers for attending the meeting on 2nd April 2024. In the meanwhile we have received the consent form our members for

				<p>attending the subject meeting on 2nd April 2024, as under :</p> <p>1) Mr. Ghanshyam Dass Gupta, Director of M/s Vijaya Mercantile Pvt Ltd.</p> <p>2) Mr. Ashish Tayal, Designated Partner of M/s Advanced Amorphous Technology LLP. The enroll them also for the TC meeting on 2nd April 2024.</p>
50	16TH MARCH 2024	Manak Manthan - IS 1180 (Part 1) - Transformer Industries -By BIS, Hubli at Naveen Hotel, Hubli.on 18 March 2024	To All Members	<p>Communication received from Ms. Mercy Rani S, Scientist B / Asst. Director BIS Hubli Branch , is organizing Manak Manthan i.e. discussion on Indian Standard " IS 1180 (Part 1) : 2014- Outdoor Type Oil Immersed Distribution Transformers Up to and Including 2 500 kVA, 33 kV - Specification Part 1 Mineral Oil Immersed (Fourth Revision) with the concerned stakeholders for the meeting titled 'Manak Manthan' for the deliberation, discussion, and comments on the Indian Standard IS : 1180 part 1 for better implementation and improvement in the Industry and the consumer base .</p>
51	16TH MARCH 2024	Technical Committee Meeting of BIS-CHD 23 - Sectional Committee on 21-3-2024 at 11:00	To All members	<p>Communication received from Mr Sushant Kumar , Member Secretary, Scientists -C , informing about the meeting of the sectional committee CHD on 21starch 2014 at 11.00 am at BIS Headquarters, Manak</p>

				Bhawan.The Agenda for the meeting is under preparation and will be sent on receipt from the BIS. Members are requested to forward any suggestion(s) for matters you may like to include in the agenda well in advance.
52	18TH MARCH 2024	Draft International Standards for Member Body comments/voting.	To All Members	Communication received from Member Secretary ETD 16, forwarding therewith the draft International Standards for member body voting , being 'P' member of IEC/TC 96 .
53	20TH MARCH 2024	Tech-Committee ETD 16 ,(Sectional Committee) BIS meeting, scheduled on Thursday 4th April 2024 at 10:30 AM in Physical mode in BIS Headquarters, Delhi	To all Members	Meeting notice forwarded by Member Secretary ETD 16, for the sectional committee meeting to be held on Thursday,4th April 2024 at 10:30 AM in Physical mode in BIS Headquarters , Delhi. The agenda for the meeting is under preparation, and shall be forwarded as and when it is received from BIS.
54	21ST MARCH 2024	ASSOCHAM 10th MSMEs Excellence Awards March 2024, Lucknow, Uttar Pradesh	To All members	Delegate invitation from Assocham, Utter Pradesh to attend the 10th MSMEs Excellence Awards March 2024, in Lucknow, Uttar Pradesh , scheduled to be held on 28th March 2024 at Indra Gandhi Pratishthan , Lucknow Utterpradesh from 9.30 AM onwards. Necessary link has also been forwarded for the registration, prior registration is mandatory.
55	22ND MARCH 2024	Minutes of the Meeting (MoM) held on	To All Members	Minutes of the meeting convened on

		05.03.2024 to discuss the supply chain issue of Transformer/Reactors		5th March under the Chairmanship of Chairperson CEA, on the supply chain issue of Transformer/Reactors.
56	26TH MARCH 2024	Request for details on Distribution Transformer	To All Members	Communication received from Mr. Mukhe Krishna Sai Satvik, Project Engineer ;Bureau of Energy Efficiency , requesting a few details on the Distribution Transformer market scenario in India
57	27TH MARCH 2024	Details on Distribution Transformer, as requested by Bureau of Energy Efficiency (BEE).	To All Members	Requesting inputs on on various aspects as requested by BEE , to send a consolidated reply based on the inputs to be received from the Members.
58	26TH MARCH 2024	To up date ITMA's website:www.itma.org.in	To ALL EC Members	Reminder ltr-draft detailed information along with the photograph retrieved (Old diary) prepared of the elected council members to be part of the website.
59	27th March 2024	Details of tentative timeline for obtaining Type test report and reports of tests specified to comply under BEE certification from accredited NABL Laboratories	Shri. S.B. Diwan, Director, Electrical Power Research Laboratory Vadodara-Gujarat	Communication received by ITMA from BEE on the subject, requesting for Details of tentative timeline for obtaining Type test report and reports of tests specified to comply under BEE certification . Being one of the renowned Testing Laboratory may kindly provide the details,so that BEE could be informed accordingly.
60	27th March 2024	Details on Distribution Transformer, as requested by Bureau of Energy Efficiency (BEE).	To All Ec Members	Requesting inputs on various aspects as requested by BEE , to send a consolidated reply based on the inputs to be received from the Members.

				<p>In the meanwhile ITMA secretariat was also gathering information on the various aspects/issues as requested by BEE and was preparing a draft reply, to be completed based on the inputs from the Members. However inadvertently this uncompleted draft also got attached with the ITMA's request letter for. inputs,dated 26th March, thus creating confusion.</p> <p>Now based on the information collected by the secretariat a draft reply has been prepared to BEE's requirements on Distribution Transformers , which is attached for the information of the members for consideration and adding/deleting any information given in the draft letter which is not relevant and also vetting the draft letter before it is forwarded to BEE. The tentative prices of DTs given in Annex 2 of of the draft letter also needs vetting.</p> <p>Sent for the information of the members with a request to provide the inputs and also see the details in the draft letter for correctness.</p>
61	28th March 2024	Details on Distribution Transformers, market scenario in India.	Mr. Mukhe Krishna Sai Satvik Project Engineer Bureau of Energy	The tentative information DTs below 315 KVA are manufactured with both the core materials of CRGO and Amorphous. Whereas DTs above 315

			Efficiency	KVA are manufactured only with CRGO material.
62	28th March 2024	Technical Committee Meeting on Distribution Transformer on 2nd April 2024 at BEE's HQ RK Puram New Delhi.	To All Members	Reminder sent by BEE to the stakeholders for attending the TCM on 2nd April 2024 to discuss on the revised energy performance standards to be implemented from 1 st January, 2025 onwards
63	28th March 2024	Subject : Energy Conservation , to achieve the target of emission reduction upto 45% by 2030. Reference : Secretary Power' s letter no. 8/8/2022-EC dated 6th February 2024 to Secretaries.	Shri R K Singh Hon'ble Cabinet Minister Power and New & Renewable Energy Ministry of Power	Consider the issue necessary directions to the concerned department, in the interest of the Nation to achieve the climate change targets through Energy conservation by ratcheting up the Star rating table of Distribution Transformers as per the Secretary Power's letter dated 6th February 2024 under reference , besides the other measures.
64	28th March 2024	Details on Distribution Transformers, market scenario in India.	Mr. Mukhe Krishna Sai Satvik Project Engineer Bureau of Energy Efficiency	Data for overall import and export of DTs under S&L programme could also be available with BEE,as DTs in India are governed by mandatory Star rating of BEE's S&L programme, as such any import or export of DTs under S&L programme is also available with BEE. The cost of 3 star rating DTs of different KVA ratings manufactured with CRGO and Amorphous material , depends upon the requirements of the Buyer/customers and accordingly are designed with economic considerations.

Tentative cost of 3 star rating DTs with CRGO & Amorphous material is given in Annexure 2.

Invitation to Participate in the Seminar on
“Best practices for O&M of Distribution Transformer (DT) and Code of Practice (IS:18284/2023) for the repair of Distribution Transformer”

on

22 May, 2024 09:00 – 14:00 hrs

at

Hotel Saffron Leaf, General Mahadev Singh(GMS) Road Shakti Enclave, Kaonli, Dehradun, Uttarakhand 248146
